Counterinsurgency Materials

25X1A

1. [redacted] asked this office to act as a base of operations here at Headquarters for receiving counter-insurgency materials and distributing them to OTR staff members especially concerned with this subject. Attached herewith, as our first shipment under this new arrangement, are:

a. Memorandum to the DTR from George Carroll, Asst. for C-I in the Office of the Assistant Secretary of Defense, dated 17 June 1964 with enclosures (State Airgrams A-608, 6 January 1964, and A-911, 3 April 1964, from Bangkok).

b. A draft of a proposed NSAM, dated 15 May 1964, re U.S.O.I.D.P.

this report for the attention of C/FAR under cover of a memorandum dated 22 January 1963. The M.O. has interesting similarities and differences from that adopted in Indo-China as Giap tells of it in Peoples War, Peoples Army. We think the two documents are good companion pieces. We are attaching another copy of the [redacted] for your files. 25X1A

3. [redacted] asked us to tell you that the three TS Policy Papers on counterinsurgency, which he referenced in a recent memorandum to you, are now in his office. Both he and [redacted] recommend that you read them on your next visit to Headquarters. These papers were released to OTR with the restriction that they must remain at Headquarters.
